

Antuaneth Aguirre Ramos

AI Agent Developer · Prompt Engineering & Python · Machine Learning · Bilingual (IELTS 7.5) · Seeking an Applied AI Internship

Colombia · Open to Remote · antuanethaguirre@gmail.com · linkedin.com/in/antuaneth-aguirre-ramos

PROFILE

AI enthusiast with **hands on experience building AI agents**. Over the past year at DigitalHubAssist I helped **design, build, test and optimize AI agent models**, gaining direct experience taking these systems from idea to real world application. Recent high school graduate, **bilingual** with an **IELTS 7.5** certification that supports working in international environments. Passionate about intelligent agent development, **machine learning** and the impact that **responsible AI** can have on society. Seeking an **applied AI internship** where I can grow, contribute and help build useful, safe technology.

EXPERIENCE

AI Agent Developer · DigitalHubAssist 2024 · Present
Applied AI · Agent Development

- ▶ **Design, build and optimize AI agents** end to end, from concept to a working solution.
- ▶ **Test and iterate** on agent flows to improve their performance and reliability.
- ▶ Collaborate on **applied AI projects**, taking solutions from idea to implementation alongside the engineering team.

EDUCATION

High School Diploma (Bachillerato) · Colegio MySKol Colombia · 2026

CERTIFICATIONS

IELTS · International English Language Testing System · Band 7.5 English proficiency
